Rosewood with a superb high gloss finish and gold-plated tuners are the hallmarks of our Deluxe series. The immaculate finish provides an optical impact in keeping with the tonal quality. This is a perfectly coordinated guitar – the ideal partner for a long term relationship.

Since its creation, the M-32 CP has undoubtedly been the quintessential Lakewood.

By far the most requested, best-selling and most widely heard instrument in the Lakewood family. The combination of a spruce top from the foothills of the Swiss Alps and rosewood for the back and sides has always created a tonal character that sets the benchmark. Rich bass, present mids and sparkling highs—without any one frequency range dominating. Balanced, powerful and harmoniously rounded.

Tonewoods from different parts of the world, perfected in Central Hesse.
